

American Fire And Safety Equipment

We are proud to announce the launch of our new **UNIVERSAL** SCBA storage product line.

AFSE now offers a complete line of new products to meet any storage combination of 30, 45 or 60 minute SCBA bottles. All our products are **DESIGNED BY FIRE FIGHTERS FOR FIRE FIGHTERS** and feature all-welded steel construction, bumper guards to minimize potential for marring of SCBA bottles, and large heavy duty locking casters.

AFSE proudly manufactures all our products in the USA.

NEW Product Announcement

LC12-4-U

UNIVERSAL Mobile Storage Rack designed for easy storage and transportation of any combination of **(12)** 30,45 or 60 minute SCBA bottles.

LR12-U

UNIVERSAL Storage Rack designed for easy storage of any combination of **(12)** 30,45 or 60 minute SCBA bottles.

LR18-U

UNIVERSAL Storage Rack designed for easy storage of any combination of **(18)** 30,45 or 60 minute SCBA bottles.

OPTIONAL LOCKING STEEL DOORS AVAILABLE

The Mobile Carts and Racks can be equipped with heavy-duty lockable steel doors that help further protect the SCBA bottles and, when securely strapped within a vehicle, comply with current D.O.T CFR-49 requirements.
